UPDATE

AMCROSS 2007 Championship

2007 HONDA CRF150R PROJECT BIKE

DIRT ACTION UPDATE

HEAPS HAS BEEN GOING ON SO FAR WITH THE DIRT ACTION MAGAZINE HONDA CRF 150R PROJECT BIKE. AS WELL AS THE PARTS AND BIKE DEVELOPMENT, I PUT A WHOLE LOT OF HOURS ON THIS BIKE AND ALL OF THEM HAD AN AWESOME FUN FACTOR!

THE CRF 150R WON THE 2007 DIRT ACTION AMCROSS SERIES & I WAS THE 2ND HIGHEST JUNIOR POINT SCORER . IT WAS TYPICAL GRASSTRACK RACING WITH THE MIGHTY 4 STOKE PULLING MANY HOLESHOTS AND RACE WINS THROUGHOUT THE SERIES.

THE HONDA CRF 150R MADE THE LONG HAUL UP TO COOLUM ON THE QLD SUNSHINE COAST FOR THE HONDA 2007 AUSTRALIAN JUNIOR MX TITLES. THIS IS LIKE THE BATHURST OF MX WITH ALL THE PREPARATION AND TRAINING THROUGHOUT THE YEAR COMING TO HEAD WITH JUST 3 FINALS OF RACING TO MAKE OR BREAK ANY RIDER, UNFORTUNATELY, I & THE PROJECT BIKE SUFFERED LIKE MANY AT THE HANDS OF THE TRACK AND CRASHED MY WAY OUT OF CONTENTION. MAKING IT OUT IN ONE PIECE WAS AS GOOD AS IT GOT, BUT WITH A WHOLE LOT OF KNOWLEDGE AND EXPERIENCE, I WILL CERTAINLY LOOK FORWARD TO THE NEXT AUSSIE TITLE CHALLENGE.

THE PROJECT BIKE ALSO MADE SOME CAMEO APPEARANCES AT 4 OF THE 12 ROUND 2007 AUSTRALIAN OFF ROAD CHAMPIONSHIPS. THE ENDURO SERIES WAS A TOUGH ONE BOTH ON RIDERS AND MACHINES, HOWEVER THE EXPERIENCE WAS AWESOME AND PLANS ARE UNDERWAY TO HOPEFULLY COMPETE IN MORE ROUNDS NEXT YEAR.

LOCALLY, THE APPIN COMPLEX WRAPPED UP THEIR 4 ROUND SUPERCROSS SERIES AND ALTHOUGH THE CRF 150R PROJECT BIKE ONLY RACED 2 OF THE ROUNDS, I FINISHED IN 4TH POSITION OVERALL. THE HONDA FOUR STROKE DEFINITELY UP TO THE SUPERCROSS CHALLENGE. I HAS ALSO RACED VARIOUS CLUB ROUNDS, STATE TITLES, WEM JUNIOR DEVELOPMENT SERIES, AND OPEN CHAMPIONSHIPS ON THE DIRT ACTION HONDA CRF 150R PROJECT BIKE. THE BIKE HAS ALSO BEEN REGULARLY FEATURED IN THE MAGAZINE AND PRODUCTS & SERVICES USED MENTIONED AND DETAILED IN THE EDITORIALS AND PHOTOS.

THE 2007 RACE SEASON IS NOW COMING TO AN END AND THE CRF 150R HAD AN EXCELLENT DEBUT YEAR AND HAS PROVEN ITS WORTH.

THANKS TO ALL THE SPONSORS, SUPPLIERS, AND PEOPLE INVOLVED IN THE DEVELOPMENT OF THE PROJECT BIKE, YOUR GENEROSITY AND EXPERTISE IS GREATLY APPRECIATED. SEE YOU IN 2008, BETTER, FASTER, STRONGER!
